

JONATHAN MENDELSON

READ

Forsinger/songwriter/producer, Jonathan Mendelsohn, the last few years have been a whirlwind of musical collaborations and rebirths, placing him at the forefront of the global EDM scene and firmly establishing him as one of the most in demand Male vocalists/writers in dance music.

Jonathan Mendelsohn has collaborated with a staggering array of the hottest names in dance music including Dash Berlin ('Better Half of Me', 'World Falls Apart' & 'Steal You Away'), Hardwell ('Echo'), Brennan Heart ('Imaginary'), Ørjan Nilsen ("Apart"), Laidback Luke ("Till Tonight" and "Timebomb"), Blasterjazz & MOTi ('Ghost in the Machine'), Cosmic Gate ('All My Life), and Morgan Page and Andy Caldwell ('Where Did You Go?') amongst many others.

In addition to his studio releases Jonathan has also recently fired up crowds right across the globe on tours with Dash Berlin, Brennan Heart, Fedde le Grand and Morgan Page. His signature brand of electro-tinged dance pop, infectious melodies and vocal arrangements has even garnered him such disparate comparisons to reigning critically-acclaimed darling, Robyn, radio favorites One Republic and Adam Levine of Maroon 5.

Not content to simply feature as a songwriter and vocalist, Mendelsohn is also an adept producer, remixer and live DJ of note with his electric live shows providing a blend of Jonathan's world class, emotional vocals as well as showcasing his exceptional live mixing talents.
