

Alexander Popov is one of the few Russian music producers and DJs well known in the world. IDMA nominee, he is an artist of the Dutch record label Armada Music.

Within the last two years he has released three compilations, made a few music videos and released his debut album titled "Personal Way". One of the tracks from this album - collaboration with Dash Berlin and Jonathan Mendelsohn called "Steal You Away" was nominated for the international award IDMA in Miami as the best trance track in 2014, official music video for this track has collected more than 3 500 000 views on Youtube and got in rotation on MTV UK.

His latest singles "Multiverse", "Quantum", "Lost Language" have reached TOP 3 on Beatport and are regularly supported by the best world DJ's. Alexander has collaborations with top EDM artists: Dash Berlin, Cosmic Gate, Andrew Rayel, to name a few.

For the last few years he has visited more than 40 countries and has regular tours on the best stages of Europe and Asia, at the events like 'A State Of Trance', 'Global Gathering', 'Electronic Family', 'Coloursfest', 'ADE' and played in the world best clubs: 'Ushuaia Ibiza', 'Privilege', 'Space' and many more.

Between studio and gigs he also has a weekly podcast and radioshow called 'Interplay' on Radio Record, every Thursday at 20:00 CET.

Armin Van Buuren: "Alexander Popov – absolutely one of my favorite producers at the moment"
